My Ghost pic at Owlpen Manor, Gloucestershire, UK

If you look In to the window in the Attic room you should be able to make out the shape of a person, you can see the face and hands, they appear to be dressed in what look like a long white robe, well as far as you can see.

You can see a face, appears to be roundish with short dark hair, the expression on the face, which is somewhat transparent seems to one of sadness.

This picture was taken in the early hours of the morning, around 6.30AM, I just happened to see something from the corner of my eye and took a snapshot.
